TOWN MEETING WARRANT

To the Inhabitants of the Town of Monroe in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Monroe on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what action the Town will take in regard to the report of the Budget Committee as printed.

4. To see if the Town will authorize the Selectmen to distribute the Inventory Blanks at the time they appraise the property to be taxed.

5. To see what action the Town will take in regards Real Estate taken over for non-payment of taxes.

6. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not to exceed \$90,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the town negotiable notes therefor, said notes to be repaid during the current municipal year, from taxes collected within the current municipal year.

7. To see what action the Town will take in regard to keeping a physician in Town.

8. To see what action the Town will take in regard to keeping a Recreational Director in Town.

9. To see what action the Town will take in regard to printing all Selectmen's orders in the Town Report.

10. To see if the Town will vote the amounts of \$1,000 to be appropriated to the Building Fund of the Woodsville Cottage Hospital and \$1,000 to be appropriated to the General Maintenance Fund of Brightlook Hospital of St. Johnsbury, Vt.

11. To see if the Town will vote to raise and appropriate a sum not to exceed \$100,000.00 for the purpose of highway construction on so-called Back Road, such sums to be raised through the issuance of serial bonds or notes under and in accordance with the provisions of the Municipal Bonds Statute, and amendments thereto, and to authorize the Selectmen to issue and negotiate such notes, and to determine the time and place of payment thereof, under such terms and conditions as they deem to be in the best interests of the Town.

12. To see if the Town will vote to allow the collector of taxes additional compensation for his services in collecting the State head tax and to fix the amount.

13. To hear all reports of committees and officers heretofore chosen and pass any vote relating thereto.

14. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this tenth day of February, in the year of our Lord nineteen hundred and fifty-three.

LIBRARIAN'S REPORT

There has been no librarian's report published in the town report the past two years. The book circulation for the years is as follows: 1950, 7,319; 1951, 7,758; 1952, 8,909, showing an increase of 1,589 in these years. The Library has purchased two new reading tables and eight chairs to match. The Librarian and Trustees are very glad to have Mrs. Mildred Daniels, teacher of the 7th and 8th grades in the town school, bring her scholars every Tuesday the past two years for instruction in using the library. Mrs. Agnes H. Little reports of the work with the children as follows:

The card catalog, Dewey decimal system of classification, arrangement of books on the shelves, Reader's Guide to periodical literature and various reference books have been explained to the children.

They have had opportunities to use all the tools and have become quite proficient in their use.

It is gratifying to see a child go to the catalog and find the number of the book he wants and then go to the shelves and find it himself.

The use of the Reader's Guide to find magazine articles on a given subject has become sort of a game for some — they can go to the files of old magazines and find from one to a dozen articles on the subject selected.

The value of this training becomes evident when students get to the academy. (A.H.L.)

The Library still helps sponsor the Craft Classes and we have very good reports of the work in 1952. The classes as a whole sent over \$1,100 worth of articles to be sold by the League of New Hampshire Arts and

Crafts. Around \$800 worth has already been sold, probably \$100 worth has been sold privately.

A rotating stand for the dictionary has been purchased.

If anyone is interested in having a list of books that have been purchased the past three years, which number 851, let us know and we will supply you with a list.

Maple trees have been planted in the Library yard.

Next year Monroe will celebrate its 100th anniversary and we hope to get out Historical Room in order for the Celebration. If you have exhibits that you would loan us for the occasion we will be very glad.

Respectfully,

JANE E. PRATT
Librarian

FIRE DEPARTMENT

The Monroe Fire Department has a membership of eighteen volunteers. During the last year the Department answered 29 calls of various kinds.

Fires in town—2.

Fires out of town coming under the Mutual Aid Agreement—2.

False alarms—1.

Grass fires out of control—2.

Called for grass fires as a safety measure—6.

Pumping out cellars—2.

Pumping water through sewers—4.

Calls for Portable Generator—7.

Pumping out culverts for the state—1.

Cleaning chimneys—1.

Fire Drills—5.

Meetings at Fire Station—6.

Running a test on the pumper for the N. H. Fire Underwriters—1.

All of the Soda and Acid extinguishers in town that could be located have been recharged and in some cases repaired.

Through the efforts of the members of the Fire Department over 60 extinguishers were sold to the people of the town.

During the last year the lot adjoining the fire station was graded and grass seed sown, the stumps were

removed and two lights installed on the outside so it can be used for parking cars.

Mr. F. H. Krauss, Engineer of the N. H. Board of Underwriters, spent two days in town making a survey, testing the pumper and inspecting the fire house and equipment. As a result we were able to obtain a cut in insurance rates of 10c per hundred dollars within one mile of the Fire Station. This could mean a larger cut in insurance all over town with hydrants and a water supply that would answer their requirements.

Fire Chief

Enrollment by Grades

Grade	1	2	3	4	5	6	7	8	Total
Monroe	8	8	12	9	8	8	12	8	73

The 1952-1953 school year started at Monroe on September 3rd. There were enrolled, 73 pupils in the elementary grades. Also registered were 29 secondary school pupils attending McIndoes Academy, McIndoes, Vermont.

The system was again fortunate in having no change in its staff. Any good system is strengthened by little or no change in its personnel.

The physical plant is in excellent condition, and is one of which the community should be justly proud. A commercial-type range and new sink would make the cafeteria a more efficient work room. A new floor surface is recommended for the playroom, as the battleship linoleum is beginning to break.

It is only by the concerted efforts of school personnel, parents, and citizens that we enjoy, and point with pride, to the well-organized, economically operated, and efficiently taught public schools. Expressing my appreciation for the above cooperation is an annual pleasure.

W. E. Givens, Executive Secretary of the N. E. A., has stated that "the educational programs of our schools have developed in response to the needs of the individuals and the communities they serve."

Our early schools were largely influenced by a con-

cept that education was MEMORIZATION. A person may be well stuffed with information and still be very poorly educated. Education for tomorrow includes *thinking* as well as knowing.

Respectfully submitted,

PHIL A. BENNETT

NURSE'S REPORT

Number of Pupils Examined 69

<i>Symptoms of Defects</i>		<i>Corrections</i>	
Vision	13	Vision	8
Teeth	18	Teeth	37
Orthopedic	3	Orthopedic	
		Improved	3
		School Visits	21
		Home Visits	13

Cases of Communicable Disease:

Whooping Cough	3
Pediculosis	7

All pupils were given a physical examination in September by Dr. Paul Choate, the school physician.

The vision tests were completed in all grades. Whenever symptoms of defects were found, written notice was sent home to the parent or guardian.

The 1st grade children were given the audiometric hearing test.

I want to thank Mrs. Daniell for the cordial invitation to attend the hot lunches whenever I am at the school during the noon hour.

I also wish to express my appreciation to Mr. Bennett, Dr. Paul Choate, Mr. Nye, the teaching staff, and the parents for the kind cooperation which I have received in carrying out the School Health Program.

Respectfully submitted,

MURIEL LaMOTT, R.N.

TEAM WORK WILL DO THE JOB

Team work has won victories from time immemorial—for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate — we must have team work. The remedy is simple —

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!

TEAM WORK WILL DO THE JOB!
